

TOWN OF STOUGHTON

Bylaw #423/14

A bylaw of the Town of Stoughton to establish Sump Pit and Discharge Requirements.

WHEREAS Section 8 of *The Municipalities Act* provides a municipality with the authority to pass bylaws respecting public utilities:

AND WHEREAS it is deemed desirable to provide for the matters referred to above and to establish a standard for a sump pit and Surface Discharge System;

The Council of the Town of Stoughton, in the Province of Saskatchewan, enacts as follows:

PART I - INTERPRETATION

1. This Bylaw shall be cited as the "Sump Pit and Surface Discharge Bylaw"
2. **Application**
This Bylaw shall apply to all newly constructed structures including, but not limited to, residential dwellings and dwelling units with a subsurface drainage system within the Town of Stoughton for which a building permit has been applied for after and including November 1, 2014.
3. **Definitions:**
 - i. "Approved" means permitted, inspected, or approved by the government agency or other authority having jurisdiction over the subject matter to which the approval relates;
 - ii. "Building Official" means the person appointed/retained by Council to perform the duties of this bylaw or any other bylaw or resolution of Council;
 - iii. "Council" means the municipal council of the Town of Stoughton;
 - iv. "Dwelling" means any structure used or occupied or intended for supporting or sheltering any residential use;
 - v. "Owner" means a person who has any right, title, estate or interest in land or improvements other than that of a mere occupant, tenant or mortgagee;
 - vi. "Rear Yard" means that part of a site which extends across the full width of a site between the rear site line and the nearest main wall of a building or structure;
 - vii. "Sump Pit and Surface Discharge System" means a system including sump, sump pump and related plumbing used to convey water collected by subsurface drainage to the surface;
 - viii. "Town" means the Town of Stoughton.

PART II – STANDARDS

4. The owner of every newly constructed structure with a subsurface drainage system shall install a sump pit, sump pump and surface discharge system as to allow discharge to the surface.
 - (a) Discharging to the surface:
 - i. A Sump Pit and Surface Discharge System with a discharge to the surface as shown on Schedule "A" shall be installed.
 - ii. Discharge shall not be directed onto a previous ground surface within 2 meters of any building.
 - iii. Discharge shall be directed to a drain point on the property that will not cause flooding to others.
5. The Sump Pit and Surface Discharge System shall be installed by a Journeyman Plumber in such a way as to comply with all Town Bylaws and Policies and other applicable regulatory authorities and without causing excessive ponding or icing on public or private property.
6. The costs associated with installing a Sump Pit and Surface Discharge System will be the sole responsibility of the owner.

7. The standards for a Sump Pit and Surface Discharge System as set forth in Schedule "A" to this bylaw shall be the standards for the Town of Stoughton and the said Schedule "A" is hereby enacted and adopted as a part of this Bylaw.
8. The Sump Pit shall be in close proximity to the floor drain with the concrete floor being graded toward the floor drain. If the Sump Pit cannot be located close to the floor drain, a backup power supply is recommended.

PART III – ENFORCEMENT

9. The Administration and enforcement of this Bylaw is hereby delegated to the Building Official or the Bylaw Enforcement Officer or a Representative appointed by the Town Council.

PART IV – OFFENCES AND PENALTIES

10. Any person in violation of a provision of this Bylaw shall be guilty of an offence and shall be liable upon summary conviction to a fine of not less than \$500.00 but not exceeding:
 - (a) \$10,000.00 in the case of an individual; or
 - (b) \$25,000.00 in the case of a corporation.

PART V – SEVERABILITY

11. If a court of competent jurisdiction should declare any section or part of a section of the Bylaw to be invalid, such section or part of a section shall not be construed as having persuaded or influenced the Council to pass the remainder of the Bylaw and it is hereby declared that the remainder of the Bylaw shall be valid and shall remain in force and effect.
12. This Bylaw shall come into force and take effect the 1st day of November, 2014.

SEAL

Certified a true copy of the bylaw
adopted by resolution of council on the
4th day of November, 2014.
