

# Town of Stoughton

## Town Talk

### Fun Fact

There is an annual "Coffee Break Festival" held in the town of Stoughton, Wisconsin.

**Golf Course AGM** will be held at the Stoughton Legion on Monday, April 12, 2021 at 7pm

**Thank you** to the 72 people who replied to the survey regarding the possibility of a **new community centre** for Stoughton. 44 respondents said that we should pursue a community centre, 22 respondents said "no" and 6 were uncertain. Most helpful were the comments that people took the time to share.

We want to clarify that the survey was not sent on behalf of the town. There is a committee looking at the feasibility of a hall project. The committee also recognizes that it is not financially feasible to build a new building and so appreciated all the suggestions for possible renovations to existing facilities.

The committee will be taking the next step of gathering some feasible options. We will then be looking for input from the community again. **STAY POSTED!**

## Happy 100<sup>th</sup> Birthday William Fields!

William "Willie" Fields was born in Stoughton, Sk on April 19, 1921. He attended school at Fraser country school until the age of 13, at which time he left to farm with his dad.

Willie has had many interests throughout his life, his church and all to do with motors and cars. He has visited and toured the Henry Ford museum in Detroit, MI, and the Trains museum in Denver, CO. He had a metal lathe in his basement and made a model steam engine. He has also repaired many clocks in the area and enjoyed the painstaking patience to do so. For more information on Willie's life, please visit the Town of Stoughton's website @ [www.stoughtonsk.ca](http://www.stoughtonsk.ca). Have a very Happy Birthday Willie!!!
