

Town of Stoughton

Thank you from your Council

Throughout the challenges of the last 6 weeks, we have been appreciative of our citizens. You have been doing necessary tasks, exercising and keeping connected SAFELY. Thanks to those who have helped neighbours and friends.

Thank you to our businesses who have continued to serve our needs SAFELY and creatively.

Thank you to all our emergency responders, home care staff, staff of Newhope Pioneer Lodge and clinic staff who have been on the front lines of keeping our residents SAFE.

Thank you to our school staff for continuing to provide educational opportunities to our students. A special thanks to parents who have stepped into a new role in homeschooling. It isn't easy, but do your best! Do not let school work become a major stressor in your life.

Thank you to our staff who continue to keep our community functioning smoothly.

The difficult times are not over, but we can feel confident that we can manage. Let's all continue to follow our Government's Guidelines as we slowly open up our community and province.

The Swimming Pool Board is happy to share some information with you about the upcoming season. We are hoping to open no later than July 1. It will all depend on the provinces COVID-19 procedures. We know our lifeguards are as eager as you for the pool to open up.

We will be opening up online swimming class registration as soon as possible. We will not take any payments until we know the exact dates of the classes. We hope to run the classes the same as last year, with a morning and evening group the first two weeks of July and a second session the last two weeks of July. Again, this is all tentative to the government reopening schedule.

Please check out our Facebook page for the season's price list. You can message the board through Facebook, or call Kenda Gibson at 306-541-9593 if you have any questions.
