Thank You!

We would like to take a moment to acknowledge the R.M. of Tecumseh. The R.M., for a number of years, has contributed annual financial funding to the Town. This contribution is used to assist with the recreation groups and recreation facilities throughout the community. More recently, they have partnered with the Town and assisted with the support of hiring a Recreation Manager.

We are truly grateful for your commitment to our community and look forward to continuing to work together with great success!

The Town Council recently had the opportunity to sit down with some representatives from the R.C.M.P. We would like to share just a few tips that they provided to us to help reduce some crime in the community.

- Remember to turn off your vehicle and take your keys out of ignition when you park your vehicle. While you may only be stopping for a minute, it only takes a minute for someone else to jump in and take your car.
- Try to light up your house and property (have lights on timers, motion sensor lights) at night to help deter thieves, have someone regularly check your house if you are away.

While this may be common practise for most, a friendly reminder can be helpful. Stay alert, and contact the R.C.M.P. with your concerns.
