

TENDER

Tenders for a General Contractor to renovate a public washroom with showers at the Stoughton Campground will be received by the Town of Stoughton until 4:00 P.M. on Wednesday March 15th, 2023.

Area to be developed is a 352 square foot brick building. Project includes:

- Brick structure will remain, interior demolition required
- Extensive washroom, shower and interior renovation
- Plumbing and electrical work required

For specs and further information please contact the Town Office. Submissions using locally purchased products will have preference.
