Smart for You

As a business owner, you're an expert in your craft, not group benefits. Simple to use, but strong on features, Chambers Plan can take care of your employees, while you run your business.

Spend less time managing your benefit program with exclusive advisor support, quick set-up, easy-to-use forms, and simple administration. Our online administration tool, *my-benefits*®, lets you manage your plan easily and efficiently.

Every plan includes Business Assistance Service that provides owners with HR and business solutions on demand and access to professional accounting, counselling, legal and human resource experts, as well as a robust online library of curated HR resources, all at **no additional cost**.

Optional Chambers Plan Health Spending Accounts and Lifestyle Spending Accounts add flexibility to your benefits program by allowing you to meet your employees' needs and expectations **while keeping your costs under control**.

The Plan is a **not-for-profit** with ALL surpluses staying in the program to help control premiums. Chambers Plan's 10-year-average for renewals is under 5%.

Smart for your Employees

Next to salary, benefit coverage is the most important feature for attracting and keeping talented employees. Chambers Plan can help with wide-ranging benefit options.

For employees, *my-benefits* provides easy online access to their Plan information, drug cards, claims usage and submissions, with direct deposits going into their bank accounts.

my-benefits health®, our wellness platform, has the tools and resources to help employees stay healthy and productive.

Chambers Plan includes **free access** to top medical specialists with Teladoc Medical Experts, and Teladoc myStrength offers app-based support for managing stress, depression, sleep quality, and more. Extended Health options include Teladoc Telemedicine Services 24/7 anywhere in Canada and the US, and Mental Health Navigator for an expert opinion regarding a mental health diagnosis or treatment.
